IN EROTICA: ARTIST SIXERS WITH ZOE LACCHEI Thursday September 29, 2011

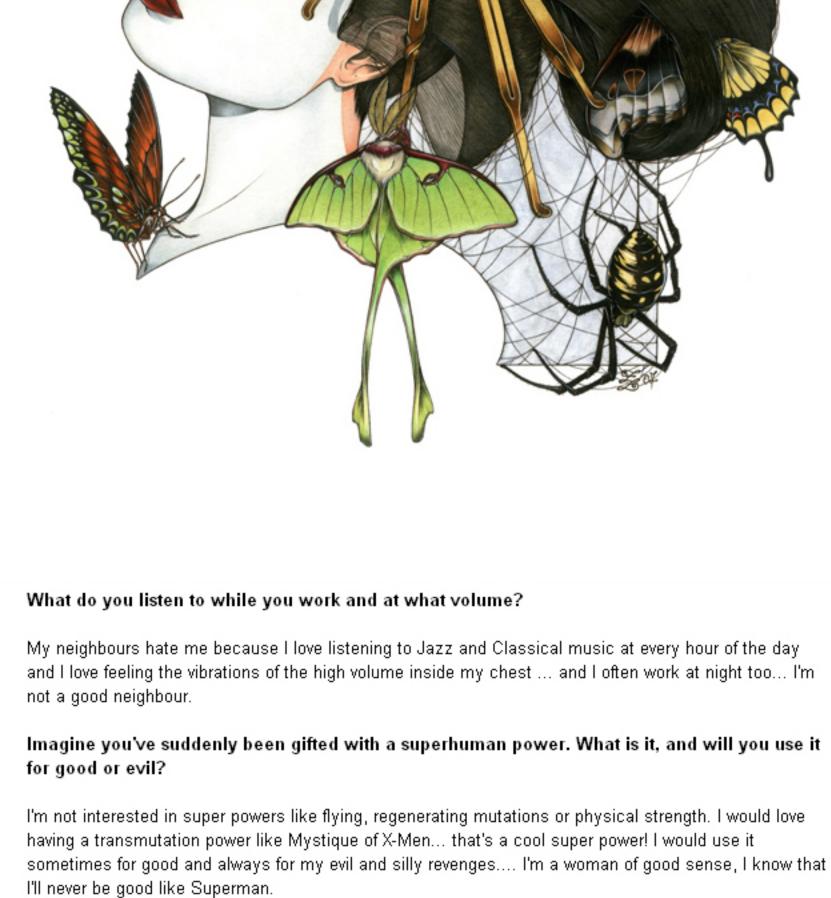

I'm absolutely a Country girl :)

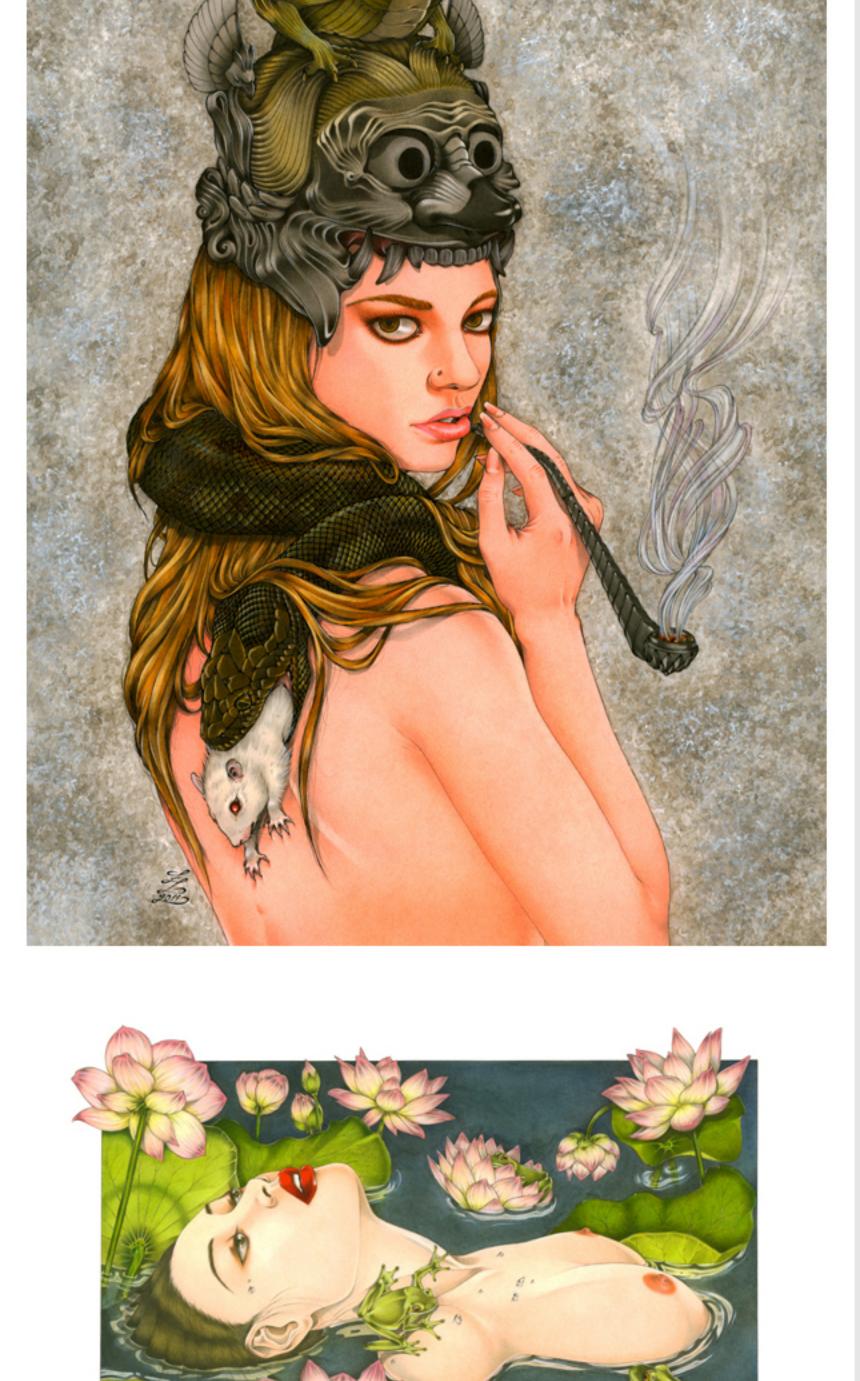

study today. It's for this reason that often I include animals in my artwork.

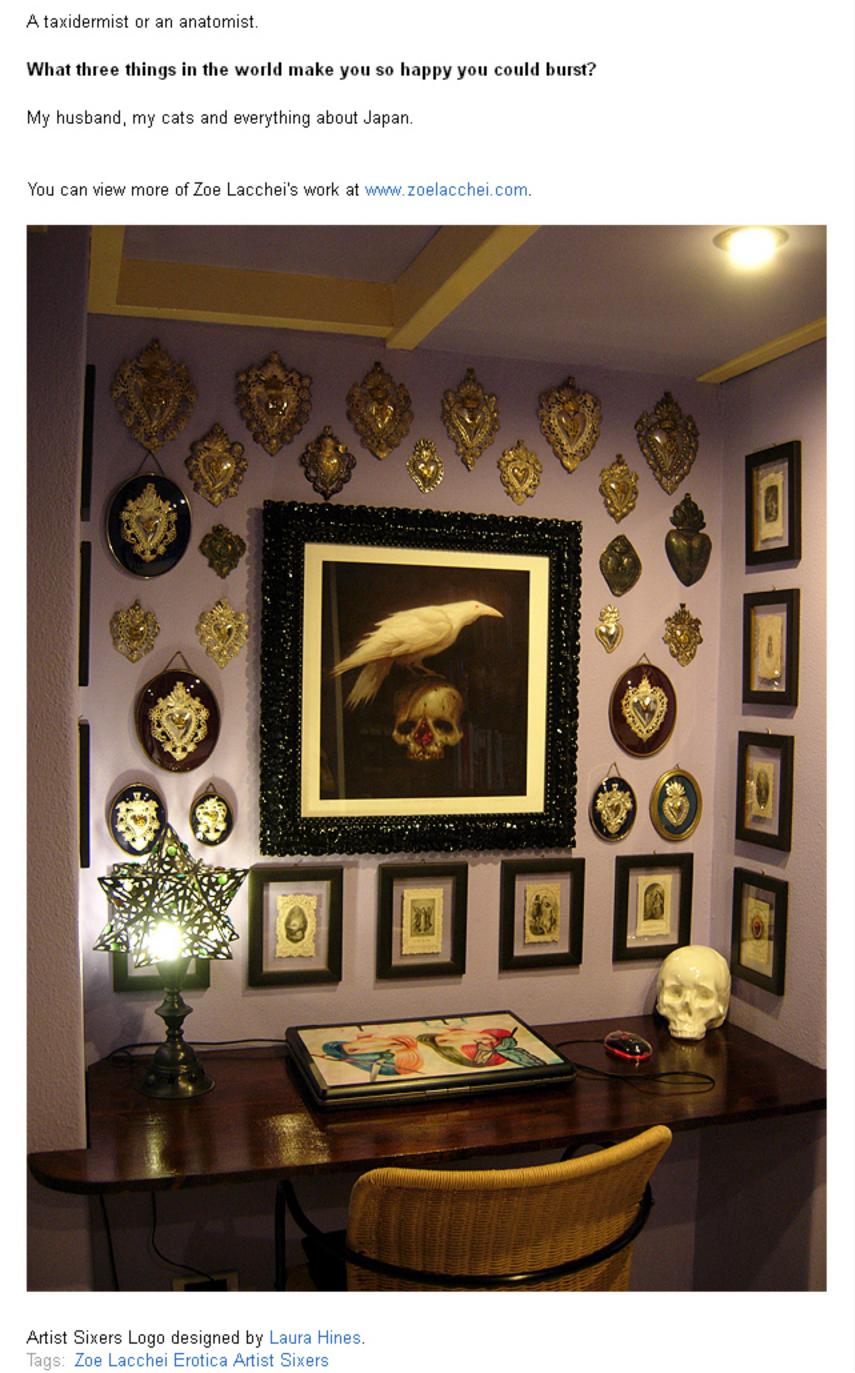

I've always loved scientific subjects and everything about animals and nature. Unfortunately, these subjects were not included in the art high school so I've decided to learn more on my own, and I still

Are you a city girl or a country girl at heart?

If you could take up any other profession in the world, what would it be?
